

Our mission is to enhance natural beauty through open patient communication, guided at all times by the values of compassion and respect for the dignity of every patient.

We believe we have a duty to provide the education and resources to enable you to make the right decisions that will optimize your well being.

We must never forget that serving our patients, fulfilling their every need, and maintaining their comfort and safety always come first.

We will strive to exceed your expectations.

CHUGAY

COSMETIC SURGERY MEDICAL CLINIC INC

Practicing cosmetic plastic surgery
for over 35 years.

MEET OUR DOCTORS

Dr. Nikolas Chugay is a world renowned cosmetic surgeon who is sought out for his keen sense of beauty by an international clientele that comes from the business community as well as the celebrity scene. He is board certified in Facial Plastic Surgery (Osteopathic College of Ophthalmology and Otorhinolaryngology), Cosmetic Surgery (American Board of Cosmetic Surgery) and Anti-aging & Regenerative Medicine.

Dr. Paul Chugay graduated with a bachelor of science from the University of California San Diego prior to beginning his medical career in Guadalajara, Mexico. He completed his medical education in New York City, while attending Ross University. He is double board certified in General Surgery and General Cosmetic Surgery by the American Board of Surgery and the American Board of Cosmetic Surgery, respectively.

Why Choose Chugay Cosmetic Surgery Medical Clinic for all your cosmetic surgical needs?

Dr. Nikolas Chugay and his son, Dr. Paul Chugay, are leading California cosmetic plastic surgeons who are acknowledged specialists in facial and body sculpting as well as implant surgery.

Practicing cosmetic plastic surgery for over 35 years, Dr. Nikolas Chugay is an expert in the field and renowned for his artistry and attention to detail. He has performed over 30,000 surgical procedures, designed many new procedures, and invented new implants used for muscular augmentation. His work has been featured on the Tyra Banks Show, Dr. Phil, Fox LA News, Rupaul, MSNBC, KTLA, and Impacto.

Chugay Cosmetic Surgery Medical Clinic has two state of the art facilities with a multilingual staff in Beverly Hills and Long Beach. Due to their dedication to cosmetic plastic surgery and commitment to excellence in patient care, they have remained at the forefront by offering the most current techniques and innovations.

With satisfied patients across the globe, it is clear why some have said they have the "eyes of an artist and the touch of a sculptor."
